Adam Ant

```
Think of Marvin, think of Marvin and weep
Think of Marvin, think of Marvin and weep
Treat me pretty
Treat me sweet
Treat me like the dirty beast I am
Treat me pretty
Treat me sweet
Treat me like the dirty beast I am
Think of Marvin, think of Marvin and weep
Treat me pretty
Treat me sweet
Treat me like the dirty beast I am
Treat me pretty
Treat me sweet
Treat me like the dirty beast I am
Think of Marvin, think of Marvin and weep
Think of Marvin
What's going on
Think of Marvin and weep
Think of Marvin
Treat me like the dirty beast I am
```
