Good Morning mister, how are you? Are we sleeping the whole night through Or Hearing voices in the hall! I have the Shots but it's your call Good morning mister, hows it been? Your Daily breads a daily Sin

A fist in the skulls worth two in the bush You're feeling lucky right now Or does your brain need a push? Is it just me or is it just medication?

Good Morning mister, hows it been? Your daily breads a daily sin Look at the mighty how they fall I have the shots but it's your call Your fifty minutes is up up up

A fist in the skulls worth two in the bush You're feeling lucky right now Or does your brain need a push? Is it just me or is it just medication?

Your fifteen minutes is up up up up A fist in the skulls worth two in the bush Your feeling lucky right now Or does your brain need a push? Is it just me or is it just medication? medication
