

Hate Ya Self

Still writing with a pen, Made in America shirt
Corinthians 16:13 "Be on the alert. Stand firm in the faith. Act like men. Be strong."

Hate ya self be afraid, what they say
It's a damn shame, man I miss the old days
Hate your own skin tone, sorry for your race
I don't think they know what's about to take place
Hate ya self be afraid, what they say?
It's a damn shame, man I miss the old days
Hate your own skin tone, sorry for your race
I don't think they know what's about to take place

The whole damn world burning people so offended
I'm just glad to have a front row seat to the ending
Why they burn my flag for? Why nobody stand for it?
Running into one of you the only I plan for
How's it feel this day and age to be afraid to say shit
God forbid you say "that's gay", be labeled on some hate shit

Today's kids ain't shit, they're taught that they're racist
And black lives matter more than yours, just face it
I'ma up this Glock and start dumping
What you're gonna do call the cops, didn't you defund them?
Only thing you do is run your mouth
Start running from my point of view the whole country is crumbling

Hate ya self be afraid, what they say
It's a damn shame, man I miss the old days
Hate your own skin tone, sorry for your race
I don't think they know what's about to take place
Hate ya self be afraid, what they say
It's a damn shame, man I miss the old days
Hate your own skin tone, sorry for your race
I don't think they know what's about to take place

Whole damn world burning, people so offended
I'm just glad I got a bunch of guns so I can go defend it
I smack you on my own, I don't need a co-defendant
What'd you do without that phone? you're so co-dependent
How you feel this day and age, raised to be afraid?

It's crazy how they get paid to change the things you say
Hey kids, stay in, don't be out, play in
Got a wear a mask, don't ask, the whole world's dangerous
They don't care about us, rather have the vision
Put em in the system, locked in prison. Better pray to your religion
I just pray we go back to the old ways
"Made in the USA" home of the Brave!

Hate ya self be afraid, what they say
It's a damn shame, man I miss the old days
Hate your own skin tone, sorry for your race
I don't think they know what's about to take place
Hate ya self be afraid, what they say?
It's a damn shame, man I miss the old days
Hate your own skin tone, sorry for your race

I don't think they know what's about to take place
