

# Amazing

Adam Cohen

All you ever wanted was everything I'm not  
I told you I was trouble  
Now look at what we've got  
Sometimes I wonder how it is you stay by me  
'cause no one's getting any medals here  
For acts of loyalty  
So I'm gonna say it  
You don't have to believe in me  
You do it anyway  
You're so amazing  
I'm so amazed  
Sometimes my life falls into place  
When you tell me you love me  
I'm amazed  
Even at my lowest  
You don't look down on me  
And what I never thought of giving away  
You give so easily  
So I'm gonna say it  
You don't have to believe in me  
You do it anyway  
You're so amazing  
I'm so amazed  
Somehow my life falls into place  
When you tell me you love me  
And I don't look at the world the same  
Anymore
