

# Refill

Adam Doleac

Yeah I got it  
I got it bad  
And I want it  
Everything you have  
Girl I need you  
I need you back  
Cause I ain't never  
Felt nothin like that

So I'm sittin here starin at the bottom of a glass  
Tryna drink you back

Yeah I wanna re-do  
I wanna rewind  
I wanna reignite that fire  
I wanna re-live  
I wanna re-fall  
I wanna re-define goodbye  
Since you left me half empty  
I can't help but feel  
Like a need a refill

Cause I can still see you  
When I close my eyes  
Oh and I can taste it  
Your lips on mine  
Baby I can feel it  
Deep down inside  
That's why

I wanna re-do  
I wanna rewind  
I wanna reignite that fire  
I wanna re-live  
I wanna re-fall  
I wanna re-define goodbye  
Since you left me half empty  
I can't help but feel

Like I need a refill of your body  
Wrapped all up in mine  
Yeah I want a refill of that old clock  
I wanna fill it back up with time  
Yeah I wanna re-land that plane  
And take us back to that first day

Ohh nah nah nah nah nah nah nooo

Oh yeah  
I wanna re-do  
I wanna rewind  
I wanna reignite that fire  
I wanna re-live  
I wanna re-fall  
I wanna re-define goodbye  
Yeah since you left me half empty  
I can't help but feel

Like I need a refill  
Oh yeah I need a refill
