

SOLO

Adam Doleac

I felt you wake up
And I see you in the bathroom
Touching up your makeup
Keys over by the door
Heels on my hardwood floor
Yeah I know it's early
Please tell me baby
What's all the hurry?
You're leaving way too fast
No it don't have to be like that

I don't wanna be solo
I don't wanna watch the sun come up alone
No you ain't gotta go home
And wait three days to talk on the phone
Just 'cause a night is over
Don't mean I don't want you next to me
I don't wanna be solo
So stay over, lay over here with me
Oh baby, stay over, lay over here with me

If it's just between us
I wasn't minding that kind of freedom
I know you like it too
'Cause you told me when I met you
We could try to not show it
But both of us know it
We can't control it
Like we're supposed to do
So why can't we break some rules?

I don't wanna be solo
I don't wanna watch the sun come up alone
No you ain't gotta go home
And wait three days to talk on the phone
Just 'cause a night is over
Don't mean I don't want you next to me
I don't wanna be solo
So stay over, lay over here with me
Oh baby, stay over, lay over here with me

I don't wanna be solo
I don't wanna watch the sun come up alone
No you ain't gotta go home
And wait three days to talk on the phone
Just 'cause the night is over
Don't mean I don't want you next to me
I don't wanna be solo
So stay over, lay over here with me
Oh baby, stay over, lay over here with me
Stay over, lay over here with me
Oh baby, stay over, lay over here with me
