## A Message To Martha

## **Adam Faith**

Spread your wings for New Orleans Kentucky bluebird, fly away

And take a message to Martha, message to Martha She sings each night in some cafe In her search to find wealth and fame I hear Martha has gone and changed her name

It's a year since she was here Kentucky bluebird, fly away

And take a message to Martha, message to Martha Tell her I miss her more each day As her train pulled out down the track Martha promised she'd soon be coming back

Oh tell her how my heart just breaks, in two Since she journeyed far And even though her dreams of fame fell through To me she will always be a star

Spread your wings for New Orleans Kentucky bluebird, fly away

And take a message to Martha, message to Martha Ask her to start for home today When you find her please let her know Rich or poor, I will always love her so

Fly away, Kentucky bluebird
Fly away, Kentucky bluebird
Fly away, fly away, fly away...
