

Change

Adam Faith

its a price of a life
price of a child
who doesnt know better
shouldnbe plying in park
such an innocent heart
but he's caught in the middle

its a beautiful world if you let it
but lifes get lost and buried
i wanna light up the flame for a change
let it go..
i dont wanna see more pain
let it go.
l dont wanna see more pain
anything war can do
peace can do better
everything i can do

i wanna make a change
anything war can do
peace can do better
but why is there still so much hate..
gotta make a change
do we not live to love
and love to live

the heartbeat hitting
sound of the drum
sky turns black
is this called living
oohhhh
can we stop the pain.

woahhhh
let it go..
i dont wanna see more pain
let it go.
l dont wanna see more pain
anything war can do
peace can do better
everything i can do

i wanna make a change
anything war can do
peace can do better
but why is there still so much hate..
gotta make a change
but why is there still so much hate.
gotta make the change

oohhhh
anything war can do
peace can do better
everything i can do
i wanna make a change

anything war can do

peace can do better
but why is there still so much hate.
anything war can do
peace can do better
everything i can do

i wanna make a change
anything war can do
peace can do better
but why is there still so much hate...
gotta make a change

oohhhh
but why is there still so much hate.
gotta make the change.
