

Country Music Holiday

Adam Faith

Listen to the beat
To the beat
To the beat
It's a country music holiday
Flags are gonna fly
In the street
In the street
It's a country music holiday
School is lettin' out at one o'clock
One o'clock things are gonna jump
Everyone in town is gonna rock
Gonna rock 'round the fire pump

Mr. Miller said
For tonight
For tonight
All the ice cream sodas will be free
Form a little line
To the right
To the right
There's a gal beneath the kissin' tree
Everybody's stayin' 'til the dawn
'Til the dawn, ten guitars play

Listen to the beat
To the beat
To the beat
It's a country music holiday

School is lettin' out at one o'clock
One o'clock things are gonna jump
Everyone in town is gonna rock
Gonna rock 'round the fire pump
