

## Losing on a Tuesday

Adam Green

Losing on a Tuesday filled with purposeful disasters  
Tell her I'm losing on a Tuesday afternoon  
Anger steers me clear of every instinct for eloping  
Someone should mention that I won't see you again

Tuesday's the day I die  
Moping in style but still so lost  
Caught in between the uptown scenes  
Destined to fall apart tonight  
I don't mind the crazy weather  
I'm so glad we stayed together

I'm just losing on a Tuesday filled with purposeful disasters  
Tell her I'm losing on a Tuesday afternoon
