

# Crazy Days

Adam Gregory

baby lets take a drive  
top down underneath the Carolina sky  
we can watch the fireflies try to outshine the stars  
I wanna lay a blanket down  
find a way back to where our love was found  
baby lets go right now

Chorus:

back to our hearts beating wild  
in the back of my beat up truck  
back to those butterflies  
first time we felt in love  
back to your smiling eyes  
come on baby take my hand  
lets find a way back to our crazy days

don't worry about what to wear  
those faded cut off jeans are my favorite pair  
don't go messin with your hair  
let it all blow around  
move over in the middle by me  
just like you did when your daddy couldn't see  
why his little girl loved a boy like me

Chorus:

back to our hearts beating wild  
in the back of my beat up truck  
back to those butterflies  
first time we felt in love  
back to your smiling eyes  
come on baby take my hand  
lets find a way back to our crazy days

Bridge:

you remember cuttin' class  
heading to the creek  
doin 95 down a two lane streets  
staying up all night talkin about forever you and me  
I can see that look in your eyes  
and if I know you, they don't lie  
they're telling me you're think about going back  
about getting back

Chorus:

back to our hearts beating wild  
in the back of my beat up truck  
back to those butterflies  
first time we felt in love  
back to your smiling eyes  
come on baby take my hand  
lets find a way back to our crazy days
