

Perfect World

Adam Gregory

In a perfect world there'd be no bitterness
No hate, no jealousy
It's a real-life fairytale and it [?]
In a perfect world there'd be no question
That all our wealth, all our possessions
Wouldn't matter without health, faith and family

Life has its share
Of ups and downs
It shakes us round a little
But through those times
We realize
That life ain't perfect after all

In a perfect world
In a perfect world

In a perfect world we wouldn't need
To fear for all that we hold dear
We'd have no doubts about tomorrow
What it'll bring

Life has its share
Of ups and downs
It shakes us round a little
But through those times
We realize
That life ain't perfect after all

In a perfect world
In a perfect world
In a perfect world
In a perfect world

Life has its share
Of ups and downs
It shakes us round a little
But through those times
We've come to find
That life ain't perfect after
Perfect after all

In a perfect world
In a perfect world
In a perfect world
In a perfect world
