

## Test of Time

Adam Gregory

I took it real hard the night you left  
I had this heavy feelin' on my chest  
The tears wellin' up in both our eyes  
As you ran to catch that [?]

How many times do we have to go through this  
That's our love being put to the test

I wanna be your safe place  
Your shelter from the rain  
Safe within these arms of mine  
Know it in our hearts  
Whether we're together or apart  
Together we will stand  
The test of time

What we have is heaven made  
No man in his right mind would ever trade  
We're gonna have our share of ups and downs  
I will always land on solid ground

I thought I knew what love was before  
How do you not, baby, realize  
There was so much more

I wanna be your safe place  
Your shelter from the rain  
Safe within these arms of mine  
Know it in our hearts  
Whether we're together or apart  
Together we will stand  
The test of time  
Hm, the test of time

Baby let's count our blessings  
In this life that we've been given  
Our stars have aligned

Wanna be your safe place  
Your shelter from the rain  
Safe within these arms of mine  
Know it in our hearts  
Whether we're together or apart  
Together we will stand  
The test of time

Baby I hope you realize  
How much I loved you all this time
