

# Aftermath

Adam Lambert

Have you lost your way?  
Livin' in the shadow of the messes that you made,  
And so it goes,  
Everything inside your circle starts to overflow.

Take a step before you leap,  
Into the colors that you seek,  
You'll get back what you give away,  
So don't look back on yesterday!

Wanna scream out,  
No more hiding,  
Don't be afraid of what's inside!  
Gonna tell ya, you'll be alright,  
In the Aftermath!

Anytime anybody pulls you down,  
Anytime anybody says you're not allowed,  
Just remember you are not alone,  
In the Aftermath!

You feel the weight,  
Of lies and contradictions that you live with every day,  
It's not too late,  
Think of what could be if you rewrite the role you play.

Take a step before you leap,  
Into the colors that you seek,  
You give back what you give away,  
So don't look back on yesterday!

Wanna scream out,  
No more hiding,  
Don't be afraid of what's inside!  
Gonna tell ya, you'll be alright,  
In the Aftermath!

Anytime anybody pulls you down,  
Anytime anybody says you're not allowed,  
Just remember you are not alone,  
In the Aftermath!  
In the Aftermath!

Before you break you have to shed your armour!  
Take a trip and fall into the glitter!  
Tell a stranger that they're beautiful!  
So all you feel is love, love!  
All you feel is love, love!

Wanna scream out,  
No more hiding,  
Don't be afraid of what's inside.  
Wanna tell ya, you'll be alright,  
In the Aftermath!

Wanna scream out,  
No more hiding,

Don't be afraid of what's inside!  
Gonna tell ya, you'll be alright,  
In the Aftermath!

Anytime anybody pulls you down,  
Anytime anybody says you're not allowed,  
Just remember you are not alone,  
In the Aftermath!  
In the Aftermath!  
(Gonna tell ya you'll be alright!)  
In the Aftermath!  
In the Aftermath!  
(Just remember you are not alone!)  
In the Aftermath!
