

# Fields

Adam Lambert

I don't know the reason  
Let's just make a choice  
Let's throw out the caution  
Just want hear voice

So walk me through  
Back through the fields  
When I walked down  
That road I find  
I already know  
On with the show  
If there's a God  
Then God only knows  
Walk me back through  
Fields I knew

So when  
Like when we believed  
A moment in time  
When we shined  
So walk me through  
Back through the fields  
Oh take me home  
Back to the fields  
Erase the dream  
Rewrite the scene  
If there's a God,  
Then God only knows  
What we should know  
On with the show

Ohh, ooaahh,  
Ooaahh, oaah,  
Oaaaooahh, oaaoooahhoahh,  
Ooaahah, oooahh,  
Oaaah, oaaah,  
Oaahahhaa, oaaahhhh,  
Oaaaaahh, oaaahh,  
Oaaahhahhhahh
