If I Had You

Adam Lambert

So I got my boots on
Got the right amount of leather
And I'm doing me up with a black colour liner
And I'm workin' my strut
But I know it don't matter
All we need in this world
Is some love
There's a thin line between the dark side
And the light side, baby tonight
It's a struggle gotta rumble trying to find it

But if I had you,
That would be the only thing I'd ever need
Yeah, If I had you, then money
Fame and fortune never could compete
If I had you,
Life would be a party in the ecstasy
If I had you
You you you you you
If I had you

From New York to LA getting high rock n' rolling
Get a room trash it up 'til it's ten in the morning
Girls in stripper heels
Boys rolling in Maseratis
What they need in this world is some love
It's a fair line between
A wild time and a flat line baby tonight
It's a struggle gotta rumble tryin' to find it

But if I had you,
That would be the only thing I'd ever need
Yeah, If I had you, then money
Fame and fortune never could compete
If I had you,
Life would be a party in the ecstasy
If I had you
You you you you you
If I had

The flashing of the lights
It might feel so good but
I've got you stuck on my mind, yeah
The fashion and the stage it might get me high
But it don't mean a thing tonight
That would be the only thing
I'd ever need

Yeah, If I had you, Then money
Fame and fortune never could compete
If I had you,
Life would be a party in the ecstasy
If I had you
You you you you you
If I had you

That would be the only thing that I'd ever need

Yeah, If I had you, then money,
Fame and fortune never could compete
(Never could compete with you)
If I had you,
Life would be a party in the ecstasy
(It'd be ecstasy with you)
If I had you
You you you you you
If I had you

Yeah, If I had you, then money,
Fame and fortune never could compete
(Never could compete with you)
If I had you,
Life would be a party in the ecstasy
(It'd be ecstasy with you)
