

# Loverboy

Adam Lambert

You got a hunger so wild, yeah  
You gotta hunt for it, hunt for it  
I'm not your typical game  
If you play me, I'm done with it, done with it

I'm not the kind of guy who's always down, no  
But I can't deny our vibe, so hear me out, hear me out, yeah

I don't wanna be another number  
Wanna feel like your loverboy, oh yeah  
I don't wanna be another number  
Wanna feel like your loverboy, oh yeah  
If you wanna get touchy feely  
Better not be so greedy  
Show me that I'm the only one  
I don't wanna be another number  
Wanna feel like your loverboy, oh yeah

All of the others before me  
They feel just like déjà vu, déjà vu  
So keep your eyes on my prize  
And your hands on my point of view, my point of view

I'm not the kind of guy who'll kiss the crown, kiss the crown  
But I can't deny the high, so hear me out, hear me out, yeah yeah

I don't wanna be another number  
Wanna feel like your loverboy, oh yeah  
I don't wanna be another number  
Wanna feel like your loverboy, oh yeah  
If you wanna get touchy feely  
Better not be so greedy  
Show me that I'm the only one  
I don't wanna be another number  
Wanna feel like your loverboy, oh yeah

I ain't that different, different from you, ooh yeah  
A player playing a player ain't foolin' a fool, ooh

I don't wanna be another number  
Wanna feel like your loverboy, oh yeah  
I don't wanna be another number  
Wanna feel like your loverboy, oh yeah (No, no, no, no, no)  
If you wanna get touchy feely (Hey)  
Better not be so greedy (Oh no)  
Show me that I'm the only one  
I don't wanna be another number  
Wanna feel like your loverboy, oh yeah
