

# Lucy

Adam Lambert

She's off to party with the diamond dogs  
From the wrong side of the tracks  
Her window's open anytime she's home  
But now it's locked up at last

She was bound to break free from the start  
Girl got that rebel heart  
She's out to rumble, gonna get it on  
There ain't no stopping her now

Lucy  
Run away  
Run away-ay-ay-ay  
Run away  
Run away-ay-ay-ay  
Run away  
Run away-ay-ay-ay  
Lucy, Lucy  
Yeah, yeah

She's off to sell herself in the city bar  
Her jaws are loaded for love  
She gon' get beaten playing with the dark  
Innocence under attack

She was bound to be stabbed in the back  
All for some fun in the sack  
Now she's alone and got no one to call  
Well, no, she ain't turning back

Lucy  
Run away  
Run away-ay-ay-ay  
Run away  
Run away-ay-ay-ay  
Run away  
Run away-ay-ay-ay  
Lucy, Lucy  
Yeah, yeah

Lucy  
Oh, Lucy  
Alright  
Yeah, yeah  
Run away

Lucy  
Run away  
Run away-ay-ay-ay  
Run away  
Run away-ay-ay-ay  
Run away  
Run away-ay-ay-ay  
Lucy, Lucy  
Yeah, yeah
