

# NECK

Adam Lambert

Bodies in the back  
Getting physical  
Animal attack  
It's the pheromones  
Eyes are rolling back  
I dialate for you

So touch me how you want  
Make it rough, I like it, I like it  
Just like that  
Yeah throw it back  
As you push into the pleasure

Bite me on my neck, neck, neck  
Bite me on my neck, neck, neck

Pushing my head down  
Make me do it right  
Yeah you like it loud  
Gag on this tonight  
Turn that ass around  
I wanna taste it too

So touch me how you want  
Make it rough, I like it, I like it  
Just like that  
Yeah throw it back  
As you push into the pleasure

Bite me on my neck, neck, neck  
Bite me on my neck, neck, neck  
Bite into my  
Bite into my neck
