

# Roses

Adam Lambert

You're like a knife cuz your looks could kill  
Hold my breath every time we kiss  
Are you feeling it  
Like I, like I feel it  
You left your hat on the window sill  
You're coming back yeah you always will  
Am I crazy babe?  
If I say that I crave it

We talk the talk  
We're skin to skin  
But you just walk away

And all that I got was  
Roses  
Don't mean a thing without emotions  
Baby just do it right  
Focus  
Cuz I just needed your love  
Tonight tonight tonight

But all that I got was  
Roses  
Don't mean a thing without emotions  
Baby just do it right  
Focus  
Cuz I just needed your love  
Tonight tonight tonight

Catch a flick maybe we could chill  
Next to me but you're still not here  
When I touch you baby  
My name will you say it

Between the sheets we ain't pillow talking  
Is it love or are we just fucking  
Tell me babe. You can't keep me waiting

We talk the talk  
We're skin to skin  
But you just walk away

And all that I got was  
Roses  
Don't mean a thing without emotions  
Baby just do it right  
Focus  
Cuz I just needed your love  
Tonight tonight tonight

But all that I got was  
Roses  
Don't mean a thing without emotions  
Baby just do it right  
Focus  
Cuz I just needed your love  
Tonight tonight tonight
