

# Stranger You Are

Adam Lambert

Papa told me to stay strong  
To tighten up my bootstraps  
Before I get walked on  
Don't you give up (Ooh, yeah)

Now I'm rockin' Versace with my dog  
In my shades, I'mma slay Rodeo y'all  
I'mma fuck up a check and spend it all  
Gonna have a tequila kinda day (Mhm)

'Cause the stranger you are  
They wanna keep you locked in the dark  
Said the stranger you are  
They're gonna try to tear you apart

But I'm 6'3", baby, with boots on  
If you think you can beat me, I'm nothin' to walk on  
It's all in the strut (Yeah, yeah)

Now I'm rockin' Versace with my dog  
In my shades, I'mma slay Rodeo y'all  
I'mma fuck up a check and spend it all  
Gonna have a tequila kinda day (Hey, woah)

'Cause the stranger you are (Ooh, yeah)  
They wanna keep you locked in the dark (Ooh, oh)  
Said the stranger you are  
They're gonna try to tear you apart

'Cause the stranger you are  
They wanna keep you locked in the dark  
And the stranger you are  
They're gonna try to tear you apart  
The stranger you are  
They wanna keep you locked in the dark  
And the stranger you are  
They're gonna try to tear you apart
