

# There I Said It

Adam Lambert

You say you want the truth, but you can't take it  
So I give you lies  
I give you lies  
You say you want the best, but you destroy it  
So I keep it inside  
I keep it inside

I tell you something  
It's a double-edged sword you're giving  
And I can't see the truth in living  
When we hide behind a wall of fear  
And you don't see it  
It's a twisted dream you believe in  
And what's the use in pretending?  
Let's make the smoke and mirrors disappear

So there I said it  
And I won't apologize to you anymore  
Cause I'm a grown-ass man  
And I won't live again  
And I'm sick and tired of living in your shadow  
So there I said it  
No, I won't apologize to you anymore  
Cause I'm a grown-ass man  
And I don't understand  
Why I should be living in the shadows  
So there I said it

You wanna hear my voice, my mind, my demons  
But not too much  
Or you'll give up

I tell you something  
It's a double-edged sword you're giving  
And I can't see the truth in living  
When we hide behind a wall of fear  
And you don't see it  
It's a twisted dream you believe in  
And what's the use in pretending?  
Let's make the smoke and mirrors disappear

So there I said it  
And I won't apologize to you anymore  
Cause I'm a grown-ass man  
And I won't live again  
And I'm sick and tired of living in your shadow  
So there I said it  
No, I won't apologize to you anymore  
Cause I'm a grown-ass man  
And I don't understand  
Why I should be living in the shadows  
So there I said it
