

Think

Adam Lambert

Think, think
Think about what you tryna do to me, yeah
Think
That your mind gon' let yourself be free

Let's go back to school, back
Let's go way on back when
I didn't even know ya
Couldn't be too much more than 10
I ain't no psychiatrist, no doctor with degree
It don't take too much IQ to see what you do to me, yeah

Think, think
Think about what you tryna do to me, yeah
Think, think
That your mind gon' let yourself be free
Oh freedom, freedom, freedom
Oh freedom
Now freedom, freedom, freedom
Oh freedom

There ain't nothing you could ask, I could answer you but I won't
I was gonna change but not if you keep doing things I don't
Hey, think about what you tryna do to me
Baby, think, that your mind gon' let yourself be free
You can walk around every day playing games and taking score
Tryna make other people lose their minds, well I'll be careful, don't lose y
ours, yeah

Think, think
Think about what you tryna do to me, yeah
Oh yeah, think
That your mind gon' let yourself be free
You need me and I need you
Without each other, there ain't nothing people can't do
Oh yeah
Think about it, baby, what you tryna do to me?
To the bone now, think about it right now, yeah
Oh freedom, freedom, freedom
Oh freedom
Now freedom, freedom, freedom
Oh freedom

Yeah, think about it
You think about it
There ain't nothing you could ask, I could answer you but I won't
I was gonna change but not if you keep doing things I don't
Hey, think about what you tryna do to me
Baby, think, let your mind gon' let yourself be free

You need me and I need you
Without each other, there ain't nothing people can't do
Oh freedom, freedom, freedom
Oh freedom
Now freedom, freedom, freedom
Oh freedom
Oh freedom, freedom, freedom

Freedom
Freedom, freedom, freedom
Freedom
