

## Turning On

Adam Lambert

I'm sinking in emancipation  
But I know that it shows that I'm next to you  
Turning on  
And I'm feeling my liberation  
Till the dawn  
Till the dawn  
And I'm inside you turning on  
Yeah, turning on!  
Turning on  
Yeah, turning on!

I'm a-racing towards exploitation  
Holding on, holding on  
T-t-turning on  
And I'm getting so saturated  
And I long, and I long to be tasting you  
Turning on  
Yeah, turning on!  
Turning on  
Yeah, turning on!  
Turning on

I'm holding without you  
Turning on!

Do you like to be hunted  
By a snake in the grass?  
And now you're spinning around  
You'll be delivered at last  
Take your time when you get there  
I said each time you were wrong  
Come on and [?]  
Keep me high until dawn  
You're turning on  
Turning on  
You're turning on  
Turning on  
Turning on  
Yeah, turning on!  
You!  
Turning on  
You're turning on!  
Yeah, yeah, yeah!
