

## Lateral Move

Adam Melchor

You've been stressin' out all week and you don't know what to do  
Let's go somewhere new, we'll go wherever you choose  
We could drive to Calgary or fly to Lima, Peru  
As long as I am with you it's a lateral move

It's a lateral move  
It's a lateral move  
It's a lateral move  
It's a lateral move

I can take you out to eat or get us take out for two  
Whatever you think is cool, whatever's fitting your mood  
You can take forever gettin' ready in the hotel room  
My forever's with you, oh, it's a lateral move

It's a lateral move  
It's a lateral move  
It's a lateral move  
It's a lateral move  
It's a lateral move  
It's a lateral move  
It's a lateral move  
It's a lateral move
