

## Patch Song

**Adam Sandler**

A won't a you a dance wit me at the annual all star a banquet  
A will a feel so fancy free at the annual all star a banquet  
Everyone in town will be lookin' their best  
Even Mrs. Selman with the one extra breast  
It's a kind of a nite when your feet match  
When you feel nearly 5 foot 3!

They'll laugh and they'll dance and they'll pee in their pants  
Cuz there's a patch at the all star a banquet waiting for me!
