

# Shower

Adam Sandler

Here we go.

Yeah. Shoop! [cheering]  
([woman:] I love you!)  
I am a grown man [laughter]  
Pissing in the shower in my house  
Yes, I am a grown man  
Pissing in the shower in my house  
I have no respect for my family  
My kids will take a bath in here today  
I know I should go to the toilet  
But the toilet is too far  
The toilet is too far away [cheers and applause]  
I said the toilet is too far  
The toilet is too far  
Once when I was drunk, I...  
Took a piss in the kitchen sink [laughter]  
But I prefer the shower  
My wife's loofah is starting to stink [laughter]  
When my kids go to school in the morning  
They smell like they're soaking in piss [laughter]  
Sometimes before I shower  
([man:] Sometimes before I shower)  
I eat some asparagus [laughter]  
I am an animal  
I am a destroyer [cheering]  
They caught me pissing In my neighbor's pool [laughter]  
And now I have to get a lawyer  
It was worth it [cheering]
