

The Buffoon and the Valedictorian

Adam Sandler

"And now the buffoon's date at the drive-in with the school's Valedictorian."

Valedictorian: "I really appreciate you're asking me out. Most people are intimidated by my high academic achievement."

Buffoon: "This movie sucks shit!"

Valedictorian: "Well, Ebel gave it thumbs up, but Ciscel thought it was

too preachy. Anyway, I enjoyed the director's last film immensely."

Buffoon: "Cathleen Turner has big fuckin' tits!"

Valedictorian: "Yes, well, she recently had a child. I think her maternal biology may play a role in that. She looks fabulous for a woman

her age, doesn't she?"

Buffoon: "I put a firecracker in a bullfrog's mouth and blew his fuckin' head off."

Valedictorian: "Well, in psychology we learned that it is not uncommon

for male adolescents to commit savage acts on animals as part of their

maturing process."

Buffoon: "That girl in the fucking car in front of us, she gives everybody head."

Valedictorian: "Well, I guess she's strong for attention and she feels

promiscuity is the only way to obtain it."

[Buffoon eating popcorn]

Buffoon: "This popcorn's fuckin' terrible. It tastes like someone jizzed

all over it."

[Buffoon continues to eat popcorn]

Valedictorian: "Well the amount of semen on this popcorn is certainly disturbing. Perhaps the staff in the refreshment stand was overcome by

the monotony of their work and decided to play a childish prank."

Buffoon: "I looked at my asshole in the mirror today. It blew my fuckin' mind!"

Valedictorian: "It's ironic that parts of one's body seem odd and unusual because you don't see them on a day to day basis."

Buffoon: "My father's shit stinks up the bathroom all fuckin' day!"

Valedictorian: "It's puzzling why one person's fecal odor can be more overpowering than another's. I wonder whether it is a function of the food digested or that person's internal metabolism."

Buffoon: "I'm gonna go get head from that fuckin' girl."

[Gets out of the car]

Valedictorian: "Well, I'm sorry to see the date come to such an abrupt

conclusion."

[Buffoon walking away]

"I do appreciate the time you spent with me and look forward to a future

Rondevue."

Buffoon: "I like to piss in that guy's fuckin' gas tank!"

Valedictorian: "Bye bye! Have fun."

[Buffoon continues to walk away]
