

## Wrong

Adam Sandler

Are there married folks out there tonight? Married folks.

I love it. Okay, this is for you guys.

You tell me I'm wrong  
But I know I'm right  
You say, "No fucking way"  
But I insist that I'm right  
So I pull out my phone  
And I look it up [laughter]  
I right away see I was wrong  
But I pretend I can't find the answer [laughter]  
So I fake like I'm still looking  
And you say, "So who's right?"  
I say, "My phone sucks"  
And blame AT&T reception [laughter]  
Then you start to look it up  
So I just grab your phone And drop it into a glass of iced tea

Thank you.
