Need You Now

Addison Road

I've been trying to win
Trying to fend for myself way too long
Living in doubt, living without, I've been so alone
I know that I need you, and I know that I need you now
I was wasting my time trying to find
Something real for my soul
And now that I am here, you're making it clear
I'm not my own
I know that I need you, and I know that I need you now

Now, this all I am
Here, with my outstretched hands
cause i really need you
and i know that i need you now.
Now, I'm giving you everything now

I am running in place to try and erase all that I've done
But you find a way to replace my pain with love
And I know that I need you, I know that I need you now
Now, this is all that i am
here with my outstretched hands
coz i really need you
i know that i really need you

When I'm afraid, you comfort me
When I'm ashamed, you lift me up
Yeah you lift me up

Now, this is all that I want
Here, is where I belong
Now, I'm giving you everything now

When I'm afraid, you comfort me
When I am ashamed, you show me how
I need you now

Now, this is all that i am
here with my outstretched hands
coz i really need you
i know that i really need you
