

# Won't Let Me Go

Addison Road

Welcome to my latest disaster  
Same book just another chapter  
Never thought it could be worse than last year  
But here I am again today

I laugh cause it hurts when I scream  
But I'll make it through cause I believe

That even when my heart breaks  
And everything's shaking  
I'm left alone in the rain  
You won't  
You won't  
Won't  
You won't let me go

Life's insane  
And everything's crazy  
You carry me through the pain  
And You won't  
You won't  
Won't  
You won't let me go  
You won't let me go

Here we go it's a three ring circus  
Juggling it all trying to find my purpose  
With each new day  
I'm praying just to make it through

When my next disaster is near  
I know that You'll meet me right here  
So I won't fear

Cause even when my heart breaks  
And everything's shaking  
I'm left alone in the rain  
You won't  
You won't  
Won't  
You won't let me go

Life's insane  
And everything's crazy  
You carry me through the pain  
And You won't  
You won't  
Won't  
You won't let me go

I feel Your love that surrounds me  
My world can shake but it won't drown me  
Cause I'm trusting You  
No matter what I'm going through

Cause even when my heart breaks  
And everything's shaking

I'm left alone in the rain  
You won't  
You won't  
Won't  
You won't let me go

Life's insane  
And everything's crazy  
You carry me through the pain  
And You won't  
You won't  
Won't  
You won't let me go

You won't  
You won't let me go  
Yeah, You won't  
You won't let me go
