

Attack

Adekunle Gold

I like it here
With your hands all on my waist (You can't drop it)
Don't play yourself
Body speak, no need to say (Boy don't stop it)
Fine girl no ex
I'm the one no second best (Woah, woah, woah, woah)
Me and my girls
We just wan't love no pretense

Red light (Tonogo)
Green light (Tonogo)
Queen of my heart şebo mọ West Life (Uhn uhn)
Jo si (Ehn ehn)
No sleep till early momo ko ni şe iru ẹ mo next time
Attack, attack
I'm on fire
Give dem two step, give dem

I no be JJC mo ti pẹ n'be
4-3-3 we dey press them
Do my thing independent
No rollout a şi wọ Top 10
Alhamdulillah mo ti jẹlọ
And I can't explain, mo sa fejo
Yeba yeba
Fenfennefe she get aura
She just dey dance dey blow shisha
Big big smoke o şe Skepta
Yeba mo gba number
Guess who's coming to dinner
Airplane mode mo pa data
Uloma don steal my chakra

I like it here
With your hands all on my waist (You can't drop it)
Don't play yourself
Body speak, no need to say (Boy don't stop it)
Fine girl no ex
I'm the one no second best (Woah, woah, woah, woah)
Me and my girls
We just wan't love no pretense

Omọ mama you be full option
I don dey wait for you for your last bus stop
I go attack if I see see
She go defend she my baby
She don't know
Me I been dey see her for my dream I no fit sleep
Make you no go whine me
This your body believing
But me I no fit believe you
E dey be like you mumu me for money

First come first serve
Me rolling with the best girls in the concert
All the baddies just dey scream say make I off shirt
If you take time, dem go waste time dem go move

O pọ gan-an
No time for jagbajantis
But me up in the green like a prey mantis
I've been praying so long I've been waiting for this
Now the sound dey high me just like say them give me munchies, ey
