Adekunle Gold

Let's go down memory lane  
Let's talk about olden days  
The things we had the game we played  
When we catch fun everyday  
Nowadays we too serious  
We no dey play like before before  
We need to find, find a day  
To do those things over again

Mo fe se monini monini  
Eje a se police and tiff  
Wetting happen to boju boju  
Oba ni ka da'wojo, Oba ni ka faagun  
Remember one Naira one Dollar  
N20 dey make dinner  
Kilos sisi pele, ekana Gowon ati Balewa  
Let's go back to the start  
Let's go back to the start

Omase ati sonu o  
Ao mo le mo a so apo iya ko  
We need to find, find our way  
To days when peace still dey reign  
Remember united we stand  
(United we stand)  
Divide we fall I hope you know

Mo fe se monini monini  
Eje a se police and tiff  
Wetting happen to boju boju  
Oba ni ka da'wojo, Oba ni ka faagun  
Remember one Naira one Dollar  
N20 dey make dinner  
Kilos sisi pele, ekana Gowon ati Balewa  
Let's go back to the start  
Let's go back to the start
