

Do You Mind?

Adekunle Gold

Do you mind?
Do you mind?
Take the backseat of my foreign
Do you mind?
Do you like it?
On the bonnet of McLaren?
Give me sign
No surprises
I fire shots, no warning
Do you mind?
Do you mind?
Girl do you mind, oh-oh

Seventeen, eighteen, nineteen, baby
Røra baby, ma fi jo pamí o
You go make me do something crazy
We go break the rules for this party o

Girl, I want to hear your body talk
We no wasting no time, tick-tock
Now, on your mark, get set, get ready
Rotate ya bum bum

I know you're here for a show
You wanna ride da poco loco
Inside, inside my sokoto-to
Inside, inside my sokoto-to
Make you dance my konto (Konto)
You wanna ride da poco loco
Inside inside my sokoto-to
Inside inside my sokoto-to

Do you mind?
Do you mind?
Take you on a one way trip to paradise (Paradise)
I just wanna feel some passion, harmonize (Harmonize)
Love and affection make me come alive
Make me come alive

We go raise the roof for this party o
