

# Fame

Adekunle Gold

I've gone too many places with a lonely heart  
I'm longing for a place where I can be a part  
I'm here in my house  
But home seems so far  
I've tried to cut the distance  
But it feels so far

Sometimes my mama's house  
Don't feel like home  
Sometimes my baby's arms  
Don't feel like home  
Sometimes with my friends  
I feel alone  
Sometimes  
I feel alone

Everybody says don't change  
But how will I grow  
I'm scared to do the things I want  
But people dunno  
I wanted the fame and I no know say  
The thing go hard  
Somedays I want to run away  
I no go lie

Sometimes my mama's house  
Don't feel like home  
Sometimes my baby's arms  
Don't feel like home  
Sometimes with my friends  
I feel alone  
Sometimes  
I feel alone

Show me the way out  
Somedays sometimes  
I feel alone

Sometimes my mama's house  
Don't feel like home  
Sometimes my baby's arms  
Don't feel like home  
Sometimes with my friends  
I feel alone  
Sometimes  
I feel alone
