Comment tu t'apelle  
Mademoiselle  
I no the deal girl, I don't kiss and tell  
Gbesu mo mi  
So ma fo mi je je  
Your booty bouncing, your body issa ten ten yeah  
I want to know, want to know  
Can I deep dive in your ocean now  
I want to know, want to know  
Can I deep dive in your ocean  
You speaki French I speak your language  
Je veux te manger, come sit on my face  
Body like a Benz let me put some mileage  
Some mileage  
Put your phone on silence

Fayayaya  
(Baby wo wo wo wo)  
Fayayaya  
Ongbonana Let it burn

Stefflon Don:  
Boy you to vigilant.  
You know seh mi could of never want another man.  
You ah di better man.  
Move like the weather man.  
Boom it off and then yuh come back fi another 1, Spin it like the letterman.  
Put it inna something weh nuh ordinary.  
Mi bend over then mi tun back fi di missionary.  
Beat it up beat it up, seminary.  
Hand pon mi throat mi wah yuh do mi like the military.  
You speak in French I speak your language  
Je veux te manger, let me ride your face  
Body like a Benz let me put some mileage  
Some mileage  
Tell me if you like it

Your gyals demma tripping  
They wanna get it  
The hate the way I make you scream loud in the kitchen  
Break your back and rearrange like it's nothing  
You love when daddy make you scream and you cream and oooo  
Red light, Green light  
Switch sides, splash splash yeah  
You know I don't like it when we fight  
We fight, we fight  
Don't stop the music on me (Do Do mi Do mi)  
It's sweet vibe, sweet vibes when I look in your eyes yeah yeah  
I just wanna sip wanna sip wanna sip from your River  
At the end of the day it is me that'll be making you dinner
