Adekunle Gold

Been through a lot I'm standing strong  
Gone through hell but I'm still so cool  
Is there anything I want to be known for?  
It's that I wasn't known to give up  
Many times have fallen down  
No time I got's to rise up  
Is there anything I want you to remember  
It's that I have been brave

2008, I wanted a name  
I spoke to God, he took me to church  
He said son you are golden  
There's nothing better, better than gold  
Now I'm in the light, I'm shining bright  
It is my time, I will live it like it's gold

Call me gold  
Cause I am gold  
I'm made of gold  
Call me gold  
Eh eh  
Cause I'm golden  
Oh oh  
I'm made of gold
