The Grass Is Greener On The Other Side  
That's What I Thought, Before I Took The Ride  
I Burned My Bridges, So I'd Never Look Back  
But, If I Had Known  
The Life I Was Searching For, Was Looking Me Right In The Eye Oh  
If I Had Known, The Life I Was Searching For, Was Already My Own

The Grass Is Greener, Where You Water The Ground  
That's What I Found, When I Took The Ride  
I Realized The Mountain I've Been Climbing, Is Nothing But Sand  
I Didn't Know I Already Had The Answer  
No I Didn't Know  
But, If I Had Known  
The Life I Was Searching For  
Was Looking Me Right In The Eye Ohh  
If I Had Known  
The Life I Was Searching For  
Was Already My Own
