

# More Than Enough

Adekunle Gold

Your body too bad, you know  
I just can't get enough  
I might overdose on love  
You give more than enough  
Give me more than enough

Top of the day to my baby, panpanranran  
Issa holiday for my baby, o panpanranran  
No work today  
You're my to-do list  
No work today  
Cool down, make I rock you jeje

Owo ti de je ka gbe la vida vida loca  
Ojo ti pe ta tinse tinse tinse local  
Owo ti de je ka gbe la vida vida loca

(Take my heart o and my money)
