No ask me nada
Mi o le fẹjọ lọ gbaşo ni Prada
Just tryna make my mommy proud of me
And I wanna give my baby the best of me
Fire for fire
Gbẹdu o le tan na dem go tire
Keep enemy close stay away from frenemies
Emi nikan ni ko ma sẹlomi

If you dey wait apology I'm sorry for you (I'm sorry for you)
Saving my energy I'll keep the rest for me
Just dey play (Just dey play)
Mi o şa le para mi
I need an aeroplane
Goodnight Lagos, bojour de Paris

Oluwa be my defender
Make nobody go dey form agenda
Anything you wish me back to sender
And if you love me nakupenda
Yawa go dey if I no dey feel your matter
Tina ba wọle darkness scatter
Born of a king I'm your father
Igimu jina sori modafucka

If you dey wait apology I'm sorry for you (I'm sorry for you)
Saving my energy I'll keep the rest for me
Just dey play (Just dey play)
Mi o şa le para mi
