Stacking up my money
No time for your shit
Monikulopo I don't care for your hate
Me no fighting
Me no fighting
Throwing tantrums from bungalow boda ode
I dey my penthouse you can't even reach me
Me nor frightened

It is not your fight stand down
I'm not the one calm down
You know I'm not your problem
You can't be me why bother
Don't have your time now now
Oole mumi bow down
Toba n binu farabale
Or boya ko lari mo le

Okay Okay

Trouble no dey pay me
Kin jaiye on a daily
Okay Okay

You know I'm not your problem

Toba n binu farabale
Or boya ko lari mo le

Okay Okay
Issokay let them say
Trouble no dey pay me
Kin jaiye on a daily
