Now the chips are down and I don't know what to do
I've been standing still, got nowhere to go
All my life I've never felt so small
I could use a hand please don't let me fall

I'm at a crossroad
I'm out of my depth now
Show me where to go
I feel like a let down

I hear a voice inside my head telling me
Simile simile simile
Send me an angel now I'm falling
Simile simile simile
Set my soul on fire give my life a meaning
Simile simile simile
Show me your light I want you more
Give me a life I want to love
