Adekunle Gold

I've traveled around the world  
I've seen a lot of girls  
They try to show me love  
I almost forgot my girl  
Chocolate skin light skin  
Oyinbo pelu Dudu (White and Black Girls)  
Lepa ati Oroso (Slim and Thick Girls)  
They try to make me fall  
Ojukokoro lon mu mi  
Remain small I for fall  
Igbagbe lon se mi o  
I com realise

Somebody go fine die  
For my eye nobody fine pass you  
Somebody go set get style  
For my mind nobody fly pass you  
Somebody go hot die  
For my life nobody hot pass you  
Dem no go fit pass you  
Cause they'll never be you

New things get old  
They get old  
No be every shine shine be gold  
Mi o sare kolu oshi lona o  
You're all that I need baby  
I don't need perfection  
I love the way you are  
I love your complexion  
Ma lo bora  
I no need flawless baby  
You're enough for me my darling  
I no need flawless baby  
You're perfect for me my darling

Somebody go fine die  
For my eye nobody fine pass you  
Somebody go set get style  
For my mind nobody fly pass you  
Somebody go hot die  
For my life nobody hot pass you  
Dem no go fit pass you  
Cause they'll never be you
