Adekunle Gold

Oh ye, mama (Problem)
Oh ye, mama, ye

Let me indulge you, jen tu si
Tryna find a way down south, ko tu si
Water melon to ko si ara yi is o juicy
Tan tan tan tan tan
E bi ni ma kusi
Stay strong, words on my penis
Mo'gbe e lo different planet, Mars ati Venus
A tu wa jo le'po, nothing gan come between us
Sebi won da dan mo, to ba ri nobody seen this, yeah

You are poison in the veins, toxic
She's gonna stay under remains
Even when all your victims are all gone
Farabale ahn kilonsele gangan

I know you want to show me something
Don't be shy girl, let it loose
Baby, this your love is poison

The way you kill me slow
Kill me, Killy me
Killy me slow, kill me slow
You know this love is toxic
Kill me (Baby kill me slow)
Baby kill me slow

Organ after organ, Shutting me down
I'm try to conversate, you shutting me out
Ma tu misi wowo, de button me now
Kini mofese joor gbo temi now
I need to breathe dakun joor je'ken siimi
You choking me to death can't you see it
Fulfilled your every wish, a fi bi jimi
O de ba Olorun soro ko fun e ni isimi (Fuck It)

You are poison in the veins, toxic
She's gonna stay under remains
Even when all your victims are all gone
Farabale ahn kilonsele gangan

I know you want to show me something
Don't be shy girl, let it loose
Baby, this your love is poison

The way you kill me slow
Kill me, killy me, killy me
Killy me slow, kill me slow
You know this love is toxic
Kill me (Baby kill me slow)
Babe kill me slow

Thought I got over you
Look what you made me do
How do I always lose to you Medusa (Dusa, dusa)

Eh eh eh, Medusa a

The way you kill me slow
Kill me, Killy me killy me
Killy me slow, kill me slow
You know this love is toxic
Kill me (Baby kill me slow)
Babe kill me slow

Fuck that, she gan
She's gonna stay under remains
Farabale ahn kilonsele gangan
