

Can't Let Go

Adele

When did it go wrong, I will never know
I have loved you all my life
How did it slow down, I go round and round
Thinking about it all the time

I gave you heaven on a platter baby
I gave you everything you never gave me
I never lied and I never faked it
Only wanted for you to save me
This love, it ain't all greed
There's too much that I haven't said

Did you find the note that I wrote?
I hid it in the seam of your coat
It was hard to write with a lump in my throat
Do you even know I can't let go

Why were you so cold, let the truth be told
Tell me was it all for the thrill?
What was I thinking, I gave you everything
But you still went for the kill

I gave you heaven on a platter baby
I gave you everything you never gave me
I never lied and I never faked it
Only wanted for you to save me

Did you find the note that I wrote?
I hid it in the seam of your coat
It was hard to write with a lump in my throat
Do you even know I can't let go

Oooh sometimes I feel like I'm in the dark
Oooh I thought I died in your arms

Did you find the note that I wrote?
I hid it in the seam of your coat
It was hard to write, I had a lump in my throat
Do you even know that I can't let go

Hope you know, I won't let go
