

# Cold Shoulder

Adele

**Ami Emi** (3x)

**Ami Emi**  
You say it's all in my head  
**Ami Emi**  
and the things I think just don't make sense  
**Ami Emi**  
So where you been then, don't go all coy,  
**Ami Emi**  
don't turn it round on me like it's my fault  
**C G**  
See I can see that look in your eyes  
**C G**  
The one that shoots me each and every time

**E Ami Emi**  
You grace me with your cold shoulder  
**Ami Emi**  
Whenever you look at me I wish I was her  
**C G**  
You shower me with words made of knives  
**Ami B7**  
Whenever you look at me I wish I was her

**Ami Emi** (2x)

**Ami Emi**  
These days when I see you,  
**Ami Emi**  
you make it look like I'm see-through  
**Ami Emi**  
Do tell me why you waste our time,  
**Ami Emi**  
when your heart ain't in it, and you're not satisfied  
**C G**  
You know I know just how you feel  
**C G**  
I'm starting to find myself feeling that way too

Chorus

**C Ab G Ab**  
Time and time again, I play the role of fool (Just for you)  
**C Ab G**  
Even in the daylight when you think that (I don't see you)  
**C Ab G Ab**  
Try to look for things I hear but our eyes never find  
**C Ab G**  
Though I do know how you play

Chorus 2x

**Ami Emi** (4x)
