

My Little Love

Adele

My little love

I see your eyes widen like an ocean
When you look at me so full of my emotions
I'm findin' it hard to be here sincerely
I know you feel lost, it's my fault completely

- Tell me you love me
- I love you a million percent

I don't recognise myself in the coldness of the daylight
So I ain't surprised you can read through all of my lies
I feel so bad to be here when I'm so guilty
I'm so far gone and you're the only one who can save me

- Oi, I feel like you don't love me
- Why do you feel like that?
- Do you like me?
- You know mummy doesn't like anyone else like I like you, right?

I'm holdin' on (Barely)
Mama's got a lot to learn (It's heavy)
I'm holdin' on (Catch me)
Mama's got a lot to learn (Teach me)

- Mummy's been having a lot of big feelings recently
- Like how?
- Just, like, mummy, I'm, I'm, the feeling that I have. Like, um, I feel a bit confused
- Why?
- I don't know. And I feel like I don't really know what I'm doing
- Oh, at all?
- At all
- And that would make me go...

My little love

Tell me, do you, you feel the way my past aches?
When you lay on me, can you hear the way my heart breaks?
I wanted you to have everything I never had
I'm so sorry if what I've done makes you feel sad

- I love your dad 'cause he gave you to me. You're half me and you're half daddy
- Oh

I'm holdin' on (Barely)
Mama's got a lot to learn (It's heavy)
I'm holdin' on (Catch me)
Mama's got a lot to learn (Teach me)

I'm having a bad day, I'm having a very anxious day
I feel very paranoid, I feel very stressed
Um, I have a hangover, which never helps, but
I feel like today is the first day since I left him that I feel lonely
And I never feel lonely, I love being on my own
I always preferred being on my own than being with people
And I feel like maybe I've been, like, overcompensating
And being out and stuff like that to keep my mind off of him

And I feel like today, I'm home and I wanna be at home
I just wanna watch TV and curl up in a ball and
Be in my sweats and stuff like that, but I just feel really lonely
I feel a bit frightened that I might feel like this a lot
