

# Promise This

Adele

In the beginning there was nothing  
So empty in the space between  
And you came in, turned the lights on  
And created what is come to be

Before I pluck your wings, cover me  
Please spread your wings, cover me and

Promise this if I die before I wake up  
Promise this, take the time to say your grace  
On your knees you'll pray for me  
Promise this, be the last to kiss my lips

Though I'm walking through the shadows  
You were with me and you comfort me  
Lay me down now, time for sleeping  
But before that, would you raise on me?

Before I pluck your wings, cover me  
Please spread your wings, cover me and

Promise this if I die before I wake up  
Promise this, take the time to say your grace  
On your knees you'll pray for me  
Promise this, be the last to kiss my lips

By a thread we're hanging on  
And I hope you don't let go  
If you ever leave me  
Know I wanna go with you

Promise this if I die before I wake up  
Promise this, take the time to say your grace  
On your knees you'll pray for me  
Promise this, be the last to kiss my lips
