

## What's Next

Adelén

I am no primadonna  
But I do what I want I do  
Just like my mom I do  
I don't need to explain yeah  
The mistakes that I made  
Would've done it again like you

Swear I lost the biggest part of me  
Found it, locked it up and tossed the key

Don't tell me what's next  
Always want to feel like this  
Don't tell me what's next  
I don't want to ruin this  
N-n-n-next, n-n-n-next, n-n-n-n-n-n-next  
Don't tell me what's next, what's next  
Cause I don't want to ruin this

All I need is myself  
I won't be wasting the time  
I am good on my own it's true  
No I don't want to please ya  
Cause I no longer need you  
Keep on making me feel this good

Swear I lost the biggest part of me  
Found it, locked it up and tossed the key

Don't tell me what's next  
Always want to feel like this  
Don't tell me what's next  
I don't want to ruin this  
N-n-n-next, n-n-n-next, n-n-n-n-n-n-next  
Don't tell me what's next, what's next  
Cause I don't want to ruin this

Don't tell me what's next  
Always want to feel like this  
Don't tell me what's next  
I don't want to ruin this  
N-n-n-next, n-n-n-next, n-n-n-n-n-n-next  
Don't tell me what's next, what's next  
Cause I don't want to ruin this

Don't tell me what's next  
Always want to feel like this  
Don't tell me what's next  
I don't want to ruin this  
N-n-n-next, n-n-n-next, n-n-n-n-n-n-next  
Don't tell me what's next, what's next  
Cause I don't want to ruin this
