

# Headache

Adeline Hill

We can't start over  
We can't be friends  
Did we come this far  
Just to reach the end

All is fair in love and war  
But I don't think so anymore  
Keep dancing around the truth  
Nothing it feels like it used to

I got a headache  
I guess I've been been avoiding the heartbreak  
I gotta let you go but I  
Can't say it  
I can't say it  
This isn't going away  
I got a headache

Take your time  
But don't take too long  
Tell me now  
If you think it's wrong

I'm really trying to not freak out  
Is it wrong if I call you out  
I'll move on but I don't know how  
Nothing feels like it used to

I got a headache  
I guess I've been been avoiding the heartbreak  
I gotta let you go but I  
Can't say it  
I can't say it  
This isn't going away

I got a headache  
I guess I've been been avoiding the heartbreak  
I gotta let you go but I  
Can't say it  
I can't say it  
This isn't going away

What if you're wrong  
What if it's right  
Tell me you need me  
Tell me you'll try

I can't say it  
I can't say it  
This isn't going away

What if you're wrong  
What if it's right  
Tell me you need me  
Tell me you'll try

I can't say it

I can't say it  
This isn't going away

I got a headache  
What if you're wrong  
What if it's right  
Tell me you need me  
Tell me you'll try

I can't say it  
I can't say it  
This isn't going away
